SUMMARY OF INFORMATION

The target personality is an old and valuable female who communicates the truth and passes it on with love, precise meaning, and depth. She carries many people and is well known. A cooperative effort is presented and she has many interests. She deals with complaints and severe illnesses. Many people are supportive of her difference. She is spiritually enlightened and shares these values. She is of the pure light (telepathy communications). This woman is very unique. In her placement, she prays of Psalms. Because of her different value system, she brought many people to a particular place. People came to see her when she communicated. She traveled far to many primitive areas (went to foreign countries) and then came back inward for enlightenment reasons. She has been to Italy and various cathedrals. She has an accent and wears a gown. In essence, she is a very special nurse.
